New business:

All Supervisors discussed the various articles coming out to talk about Floridians and their knowledge of milkweed practices. Following up on the good traction we received at the Blue Jacket Jamboree, we agreed to look into an "eco minute" segment per Mr. Travis Tharp, and Mr. Johnnie Odom mentioned a billboard and would check on specifics for nonprofit billboards. Further planning and follow up to come.

Ms. Taylor expressed group collaboration for the mission statement at the next workshop meeting.

Ms. Taylor motioned to adjourn. Seconded by Mr. Johnnie Odom. With all in favor, the meeting adjourned at 4:43PM.
