Call to Order

Mr. Travis Tharp called the meeting to order at: 10:50AM.

Completion of Mission Statement

Previously in a meeting, the board came up with a draft for the Escambia Soil & Water mission statement. Mr. Tharp had the draft but now has the new draft that we as a board decided to go with a combination of Mr. Jeff DeWeese's new recommendations along with the ideas we had previously set. Mr. Tharp is to put it together in proper format to send to the board and at the very least, present at our next general meeting.

Grant Opportunities

The board touched on future grant opportunities once more and unanimously agreed that in order to continue going in that direction, the board will strive to present themselves and their ideas to the community professionally. The board also felt strongly about keeping our mission in compliance and communicating the board's message effectively starting with the Mission Statement.

Mr. Johnnie Odom motioned to adjourn. Seconded by Ms. Carolyn Taylor.
With all in favor, the meeting adjourned at 11:34AM.
